For Immediate Release

Notice of Public Information Centre: Transportation Master Plan PIC 2

To strategically prepare for forecasted growth, the City of Kawartha Lakes retained Egis to undertake the development of the municipality's Transportation Master Plan (TMP) update.

The TMP is a strategic policy document that will serve as a road map for short-range, medium-range, and long-range transportation infrastructure investments, as well as multi-modal transportation planning.

The first of two Public Information Centres (PIC) held in November 2023 introduced the Transportation Master Plan update process and outlined current conditions. Comments from the public and stakeholders have continuously been accepted and reviewed.

The second and final PIC will present analysed future conditions and proposed future infrastructure improvement recommendations along with recommended policy. This PIC will provide insight to what the final TMP update document will contain.

The Process

The TMP update is developing in accordance with the Provincial Environmental Assessment (EA) Act, following the Approach 1 as outlined in the 2023 Municipal Class Environmental Assessment (MCEA) document. The TMP will cover Phase 1, Problem and Opportunity, and Phase 2, Alternative Solutions, of the MCEA process and facilitate streamlining and implementation of recommended capital works.

Have your say

An important part of this study is consultation with the public, stakeholders, and the municipality's agency partners. We want to hear from you on the issues and opportunities that you see for the municipality's transportation system to the horizon year of 2051.

At any time during this study, you can provide comments, questions, and concerns to the project team on the TMP Jump In page:
https://jumpinkawarthalakes.ca/transportation-master-plan

The project team will host the second of two (2) Public Information Centres (PIC) to gather public input and present findings of the study.

Details for the second Public Information Centre are as follows:

Public Information Centre 2

For the public's convenience, there will be two different opportunities to participate in PIC 2.

Meeting 1:

Date: Tuesday October 8, 2024
Time: 5:30pm to 7:30pm
Location: Fenelon Falls Community Centre (27 Veterans Way, Fenelon Falls) – Community Room

Meeting 2:

Date: Wednesday October 9, 2024
Time: 5:30pm to 7:30pm
Location: City Hall (26 Francis Street, Lindsay) – Victoria Room

The PIC will be an Open House style session with a 15-minute summary presentation at 6pm followed by review of display boards by the participants. At the PICs, you will be able to learn about our approach and our findings, ask us questions, and share your thoughts and opinions. Your participation in PICs is important to us.

If you are unable to attend the PIC in person, the display boards and presentation recording will be available online after the meetings.

Accessible formats and communication supports are available upon request. The City of Kawartha Lakes is committed to accessibility. Please contact jkelly@kawarthalakes.ca if you have an accessible accommodation request.
