Kawartha Lakes

Intangible Cultural Mapping Activity

Welcome to the Kawartha Lakes Cultural Mapping Activity, where community members can work together to map our culture!
This activity is designed for participants to share and record cultural locations within Kawartha Lakes.

How it works: Participants will have the opportunity to assist with mapping out our local culture, by answering questions **A-E**, along with pin-pointing each of the locations with the corresponding questions letter (**Example**: If Question **A** is from Ward #6 below the community of Dunsford, the letter **A** would be used as the locations pin-point).
Each question represents a different cultural theme and is provided with room to share ward #, community name, as well as space for unique personal stories that make these locations special.
If one is unsure if a location qualifys - at the bottom left side of this page is a list of all eligible spaces.

Eligible mapping classifications:

Why these classifications matter: Community cultural spaces map our physical gathering places, while Creative cultural industries map the local artists and businessess driving our identity. Mapping both captures a complete picture of our community's culture.

Community Cultural Spaces:

- Nature parks, beaches, trails and Conservation areas
- Public fields, sports clubs, teams and leagues
- Public rinks, skateparks and courts(basketball, pickelball, tennis)
- Fun-farms, patches and fishing spaces
- Amuesement and family fun centres
- Locally owned restaurants, mobile food services and bakeries
- Local heritage museums
- Historical sites
- Libraries and archives

Creative Cultural Industries:
